

# POWER ANYWHERE

Reliable Power. Wherever You Are.

## IM-i 3500

### 6S Features:

Stable—Pure sine wave with THD <3%  
 Sophisticated—Precision apparatus suitable  
 Smart—Output adjusted to loading  
 Saving—Fuel consumption reduced by 15%-30%  
 Silent—Enjoy electric power quietly  
 Small—Portable and freight cost saving

### Optional:

|                  |                                       | 3200W       |                                                          |

SILENT INVERTER GENERATOR

- 6S Features:
- Stable—Pure sine wave with THD <3%
  - Sophisticated—Precision apparatus suitable
  - Smart—Output adjusted to loading
  - Saving—Fuel consumption reduced by 15%-30%
  - Silent—Enjoy electric power quietly
  - Small—Portable and freight cost saving

## IM2000i IM3500i

### 6S Features:

Stable—Pure sine wave with THD <3%  
Sophisticated—Precision apparatus suitable  
Smart—Output adjusted to loading  
Saving—Fuel consumption reduced by 15%-30%  
Silent—Enjoy electric power quietly  
Small—Portable and freight cost saving

### Optional:

## IM13500iSW

## 6S Features:

Stable—Pure sine wave with THD <3%  
Sophisticated—Precision apparatus suitable  
Smart—Output adjusted to loading  
Saving—Fuel consumption reduced by 15%-30%  
Silent—Enjoy electric power quietly  
Small—Portable and freight cost saving

## Optional:

| 8500W            |                                       |             |                                                          |

D-IM13500

Features:

Strong and reliable power  
Silent and movable body  
More options: ATS, Dual power, Dual voltage...

Optional:

|                  |                                       |             | 5500W                                                     | 8000W            | 9500W          |
